CUSTOMIZE

See how you can make MomentumYes work best for you!

In four sessions, as the leader, you have the opportunity to customize the MomentumYes material for your context.

Session 2 - You can pray for a people group of your choice.

Session 3 - You can choose which nation you'd like to pray for.

Session 5 - ***PLAN AHEAD*** Provides the opportunity to pray for your neighbors. This will require some forethought from you as the leader.

Session 6 - ***PLAN AHEAD*** This is a time when you, as the leader, can offer specific next steps that are available in your context.

GROUP SIZE INFORMATION

MomentumYes is designed to be scalable. It can be used in a small group setting or a seminar with hundreds of people. If your group is larger than 8 people, we recommend splitting up into smaller groups for the discussion questions.

Our course is fueled by discussion and shared ideas.

DETERMINE CLASS TIMES

MomentumYes is flexible and works with many scheduling needs. Specifically, we have six 90-minute sessions. However, each session can easily be divided into smaller segments to meet your needs. Be sure to allow plenty of time for discussion and prayer. Discussion and prayer are where the life change will happen.

ZOOM FRIENDLY

For virtual learning, MomentumYes works well with Zoom. Some users with technology/internet issues might find watching the videos individually is better. You can do this by having each person press mute and switch off their video camera for the duration of the video. Once the video is over, unmute and switch on the video cameras for the discussion time. Zoom breakout rooms work well for larger groups.

GLOBAL RESOURCE

MomentumYes inspires people globally to find their place in God's story. Please enjoy the British spellings in the video graphics. Captions and the Course Guide are available in American English.

SESSION 1

RETHINK PERSPECTIVE

PERSPECTIVE MATTERS PERSPECTIVE ON THE OLD TESTAMENT PERSPECTIVE ON THE NEW TESTAMENT

Objectives

Head

Gain an accurate understanding of what God has always been doing.

Heart

Align your priorities with God's priorities.

Hands

Open your heart and mind to God's mission.

Leader Tips

- We encourage you to study Session 1 before sharing it with your group to familiarize yourself with the technology interface of the website. We recommend using Chrome as your browser if you are having trouble with the video buffering.
- Remind each of your class participants to go and sign up on: my.momentumyes.com/startstudy. This will enable each person to access the Course Guide and receive the full benefit of the course. Each person should bring his or her preferred device to each session to access the Course Guide.
- Consider a meet and greet or a 10-minute icebreaker prior to starting the Session 1 content.
- As a leader, prepare to redirect your group if the discussion moves off topic. Consider directing questions to specific participants, especially if the conversation is being dominated by one or two enthusiastic people.

Session 2

RETHINK MISSION

**CURRENT STATUS OF THE CHURCH
TASK REMAINING AND CHALLENGES AHEAD
THE IMPORTANCE OF PRAYER
HOST DIRECTED PRAYER**

Objectives

Head

Articulate the problem, the mission, and the status.

Heart

Care about Unreached People Groups.

Hands

Respond to God's heart in prayer right now.

Leader Tips

- Review the last session. Each time, this is very important because each session builds upon the earlier one.
- This session shares a lot of statistics in an inspiring way.
- Participants can best review these stats by signing up and logging into MomentumYes themselves or by downloading the Course Guide.

Session 3

RETHINK IDENTITY

**THE BEGINNING OF OUR STORY
EVERYDAY PEOPLE CHANGING CULTURE
EVERYDAY PEOPLE WORKING AS A TEAM
HOST DIRECTED PRAYER FOR THE UNREACHED**

Objectives

Head

Understand that as image bearers, Christians are created to be participants in God's mission.

Heart

Feel a personal connection and responsibility to God's mission.

Hands

Consider how everyday blessings can bless others.

Leader Tips

- Prepare for the “Host-Directed Prayer for the Unreached.” Select a nation of your choice. It can be a place where your church or someone in your group has a connection to.
- Alternatively, visit prayercast.com or have everyone in your group install the “Unreached of the Day” app, and pray for the people group of the day. These options offer your group members an ongoing, easy way to pray for the unreached.

Session 4

RETHINK INVOLVEMENT

CALL TO ALL: GOING
CALL TO ALL: SENDING
CALL TO ALL: MOBILIZING

Objectives

Head

Understand that we all have a part to play in God's mission, whether going, sending, mobilizing, or a combination.

Heart

Determine to play a role.

Hands

Consider how everyday blessings can bless others.

Leader Tips

- In the last set of Discussion Questions, pray and then give participants a few moments of silence to read through the Engage material. This is a time to consider possibilities, not to commit to a specific step. Allow their imagination to grow. Encourage them to listen to the Holy Spirit's promptings.
- Sharing your story on social media and tagging @MomentumYes can help increase the excitement of joining in God's story.

Session 5

RETHINK OPPORTUNITY

**ON YOUR DOORSTEP
ASK QUESTIONS
TEAR DOWN WALLS**

Objectives

Head

Understand that the nations are in all cities.

Heart

Increase compassion for those around you who don't know Jesus

Hands

Determine to interact with a neighbor from a different background in a caring way

Leader Tips

- Prepare for the Host-Directed Prayer by prayerfully considering your neighbors from different backgrounds.
- Google ethnicity and your home city if you do not know where or how to start. Does your community have a mosque or Hindu temple?
- Consider finding a group member who will do some research to help direct your prayer time.
- Plan your own community prayer time to stretch your class in their prayers.
- Session 5 is the tightest on time. Gauge your time well to allow for prayer at the end.

Session 6

RETHINK OUR LIVES

WHAT WILL YOUR STORY BE?
NOW WHAT?
NEXT STEPS

Objectives

Head

Understand that everyday people have moved the gospel one by one, throughout history, and we are God's plan.

Heart

Align your priorities with God's priorities.

Hands

Open your heart and mind to God's mission.

Leader Tips

- Plan ahead! This session requires more preparation time.
- Identify possible next steps for your group members based on your community and church.
- Consider what will motivate them to action, such as upcoming mission trips, opportunities to serve, international students at a local university, and dining at ethnic restaurants locally.
- Be creative! Be specific!
- This section will be easier if you create a list that people can see and discuss.
